Ryan's Message

Hey Vines family! I'm very excited to be able to spend time with you this weekend. Over the last few weeks, my family and I have experienced some hard circumstances. However, in the middle of the storm, it's easy to try and take the wheel back, or place blame where we see fit. But Jonah showed us that we need to OWN IT and turn it over to God. I encourage you to keep pushing forward. Everyday we see is a day we grow, rest and listen. We can grow in the Lord, take rest in His plan, and listen to His direction. Sometimes His way out is messy and gross, but when we trust Him we know it can be better than our own.

For your protection and those around you, please consider wearing a face covering. Masks are available in the back of the room.

Serving God starts with an understanding of the way He has wired you. What are you good at? What are you not good at?

Here at Vines Christian Fellowship, we have many areas where your talent and gifts could be used. If God is leading you to serve in some capacity, please reach out to a staff member to get a better understanding of where you fit best.

OBEYING GOD'S TEACHINGS

THROUGH OUR LOVE AND SERVICE

VCF is honored to present a check to Cultivating Inclusion for the proceeds from our recent garage sale. CI is a one-of-a-kind farming project that not only produces fruits and vegetables for our community, but also offers learning opportunities at the farm for the special needs community. With God's leading, we look forward to providing helping hands at the farm in the future.
