Pastor's Message

God wants us to grow in Him even when it is something that we don't want to do. But it is His plan for us, His journey for us. When we look back at the journey, we can see His hand in all of it. Best of all.....God does not give up on us. We are His children and He loves us all the same. His ways are always right even if we do not understand.

For your protection and those around you, please consider wearing a face covering. Masks are available in the back of the room.

Serving God starts with an understanding of the way He has wired you. What are you good at? What are you not good at?

Here at Vines Christian Fellowship, we have many areas where your talent and gifts could be used. If God is leading you to serve in some capacity, please reach out to a staff member to get a better understanding of where you fit best.
